(a) The Grant Schedule

(b) These Terms and Conditions

3. Research Responsibility:

(a) The Grantee has full responsibility for the conduct of the research activity supported by this Grant, in accordance with the Grantee's proposal, and the terms and conditions specified in this Grant. Grantees are encouraged to suggest or propose to discontinue or modify unpromising lines of investigation or to explore interesting leads which may appear during the development of the research. However, they must consult the Grants Officer's Representative (GOR) through the Administrative Grants Officer (AGO) before significantly deviating from the objectives or overall program of the research originally proposed.

(b) The Grantee shall immediately notify the Grants Officer of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

4. Amendment of Grant: The only method by which this Grant can be amended is by a formal, written amendment signed by either the Grants Officer or the AGO. No other communications, whether oral or in writing, are valid.

5. Standards for Financial Management Systems: The Grantee's financial management system shall comply with the standards set forth in DoDGARs §32.21.

6. Payments

(a) Reimbursement Payment Method. Upon acceptance of the terms and conditions of this Grant and submission of a Standard Form (SF) 270, "Request for Advance or Reimbursement," (original + 2 copies) by the Grantee to the AGO, the Grantee shall be entitled to monthly payments made on a reimbursement basis. The AGO will certify the SF 270 for payment and transmit it to the Defense Finance and Accounting Services Vendor Pay, 8899 East 56th Street, Indianapolis, IN 46249-1500.

(b) Advance Payment Method.

(1) Upon acceptance of the terms and conditions of this Grant and submission of a Standard Form (SF) 270, "Request for Advance or Reimbursement," by the Grantee to the AGO, the Grantee shall be entitled to an initial advance payment covering work to be performed during the first three months of the Grant (and any preaward costs as applicable). Subsequent quarterly payments will be initiated upon receipt of the Grantee's SF 270 (original + 2 copies) by the AGO who will certify and transmit it for payment to: the Defense Finance and Accounting Services, Vendor Pay Office, 8899 East 56th Street, Indianapolis, IN 46249-1500.

(2) Cash advances shall be limited to the minimum amounts needed and be timed to be in accordance with the Grantee's actual, immediate cash requirements in carrying out the purpose of the Grant. The timing and amount of cash advances shall be as close as is administratively feasible to the Grantee's actual disbursements for direct program costs and the proportionate share of any allowable indirect costs.

(3) Interest. The Grantee shall maintain grant funds in interest bearing accounts. Use of women-owned and minority-owned banks is encouraged. Interest earned on grant funds shall be remitted annually to the Department of Health and Human Services, Division of Payment Management, P. O. Box 6021, Rockville, MD 20852. Interest should be remitted to HHS through an electronic medium such as the FEDWIR Deposit System. A copy of each remittance shall be forwarded to the AGO. Interest amounts up to \$250.00 per year may be retained by the Grantee for administrative expenses.

(c) AGO Certification. The AGO shall not certify the Grantee's request for additional cash payments until the Grantee has first disbursed any funds available from repayments to and interest earned on a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds.

(d) The Government shall use electronic methods to receive the Grantee's requests for payment and to transmit authorizations for payment to the DoD payment office.

(e) Liquidation. The Grantee shall liquidate all obligations incurred under the Grant not later than 90 days after the date of completion. The Grantee shall promptly refund any balances of unobligated cash that the Government has advanced or paid and that is not authorized to be retained by the Grantee for use in other projects. The Administrative Grants Officer is authorized to make a settlement for any upward or downward adjustments to the Federal share of costs after closeout reports are received.
